Copyright and Authorship Declaration

1. I/We hereby declare that all text, data, figures/tables or other illustrations presented in the manuscript titled above are completely original and does not contain or include material taken from other copyrighted sources and wherever such material has been included, proper citation is included in reference section.
2. I/We affirm that the article submitted has neither been previously published nor submitted elsewhere in any form or media whatsoever for publication in any other journal. In addition to it, the article does not contravene any existing copyright or any other third party rights.
3. I/We have substantially participated in research and preparation of the manuscript and that it represents my/our original work adequate for me/us to claim the authorship.
4. I/We affirm that all authors have read and approved the manuscript as submitted and are prepared to take public responsibility for the same.
5. I/We agree that no author can publish his/her contribution anywhere else without the prior written permission of the publisher unless it has been changed substantially.
6. I/We affirm that the work does not violate any proprietary or personal rights of others (including, without limitation, any copyrights or privacy rights); that the work is factually accurate and contains otherwise unlawful.
7. I/We agree and acknowledge that this transfer of copyright gives **Journal of Pure and Applied Microbiology (JPAM)** the right to print, publish, promote, distribute, and archive a body of scientific works throughout the world.

Conflict of Interest Declaration

I/We certify that I/We have obtained written permission for the use of text, tables, and/or illustrations from any copyrighted source(s) and I/We declare no conflict of interest or any affiliation or involvement in any organization whether it is academic, commercial, financial, or personal. Financial interests may include employment, research funding, patents, ownership of stock, consultancies, honorarium, grants, and membership or any other interest or non-financial interest such as personal or professional relation, affiliation and knowledge of the research topic. I/we have read the final version of the manuscript and are responsible for what is said in it. The work described in the manuscript is my/our own contribution to this work and is significant enough to qualify authorship and no one who has contributed significantly to the work has been denied authorship and those who helped have been duly acknowledged.

I/We the undersigned authors have carefully read and accept responsibility for transferring copyright and conflict of interest declaration of above mention article with the **Journal of Pure and Applied Microbiology (JPAM)**.
